NATURAL GAS OUTLOOK. Pairty Unc. ariging Except Where Piped

for Long Distances.

INDIANAPOLIS, Jan. 13, "The Sentinel yesterday printed claborate reports from the natural gas fields of the state as to the present condition and prospects of the grass supply. The general tener of these reports is highly encouraging. At Muncie, Anderson, Marion and other leading gas towns no perceptible diminution of pressure is reported.

With more wells and very much greater pipe capacity those towns could doubtless secure multimaker of gas for all purposes. But the great cost of the plants and of operating and the heavy submitted without argument. Judge Buckner took the matter under advising the matter and will render his decision this
